

Grant funding from Leeds Area Quaker Meeting

LAQM Trustees, Friends Meeting House, 188 Woodhouse Lane, Leeds, LS2 9DX

Leeds Area Quaker Meeting makes grants to local individuals and groups for a variety of purposes, consistent with the charitable objects of LAQM:

- Members of Leeds Area Quaker Meeting who are in financial need;
- The upkeep and renovation of Quaker Meeting Houses in the Leeds area;
- Voluntary and charitable organisations in the Yorkshire area, including non-Quaker groups.

A total of around £5,000 is allocated each year. Grants are considered and awarded by the LAQM Trustees, consisting of representatives from each Local Meeting in LAQM. Trustees meet five times a year, usually in February, April, July, September and November. Grants are agreed at those meetings – decisions between meetings can be made in exceptional circumstances. Applications by individual Friends would normally be supported by their Local Meeting.
